

collecting an identifier associated with the call command;
associating the identifier with a telephone number previously
stored in a memory; and
retrieving the telephone number.

21. The method according to Claim 20, wherein the identifier
is a name.

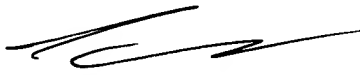

22. The method according to Claim 20, wherein the identifier
is a location or relationship modifier.

23. The method according to Claim 20, further comprising the
step of verifying the mobile telecommunication user's identity.

REMARKS

Applicant respectfully requests favorable consideration and
early passage to issue of the present application.

Respectfully submitted,

By 
Tony Piotrowski, Reg. 42,080
Attorney for Applicant(s)
